EDUCATION

Case Western Reserve University, Cleveland, Ohio
Full Stack Web Development Program

October 2017-April 2018

Bowling Green State University, Bowling Green, Ohio
B.S. Education (Tourism Administration)

August 2003-December 2008

TECHNICAL SKILLS

HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, NodeJS, ExpressJS, MySQL, Sequelize MongoDB, Mongoose, React and Java as well as Github and GIT tools.

APPLICATIONS BUILT

Trade-Your-Trade

- A location based social networking site dedicated to exchanging skilled trades to complete projects without any monetary exchange.
- Pre-development design and front-end development; specifically React components.
- <https://github.com/mjdefrank/Trade-your-trade/>

Pure Reviews

- A product-review application that uses multiple APIs to provide users with real user-review videos for the specified product as well as retail APIs (Amazon, eBay, Walmart) allowing users to compare prices competitively. The app also uses affiliate links to generate revenue from products purchased via the retail API links.
- Team member responsible for Firebase and authentication; authored project concept.
- <https://mjdefrank.github.io/group-project1/>

Marvel Comics X-Men Trivia Game

- A simple trivia game that uses a timer and alerts to test the comic book trivia knowledge of the player. A score alert pops up at the end to notify the user of the number of correct questions they scored.
- Sole developer.
- <https://mjdefrank.github.io/TriviaGame/>

ADDITIONAL WORK EXPERIENCE

American Red Cross

- Inventory Specialist (NAT Program)
- Logistics Specialist (PHSS)
- Program Specialist (NAT Program)
